Welcome to Danish Disc Golf Experience 2026

More than just a tournament!

Each registrant plays one round every day (Friday-Sunday) on different courses, and furthermore there will be many different side events both before and during the tournament itself.

The tournament center "The Valley" is in Vorgod-Barde (Nørlundvej 2, 6920 Videbæk), and here it is possible to sleep in a tent or caravan in connection with the event.

All these things will be both for the participants and for others interested.

Our vision is to create a disc golf festival that brings people together in a cozy and festive setting around disc golf. An event that disc golfers in Denmark (and the rest of the world) will not want to miss.

We very much hope for your help in creating this atmosphere and that you will help shape the Danish Disc Golf Experience - both this year and in the future.

We have received support for the tournament from Latitude 64, Dynamic Discs, Westside Discs, Discmania and Kastaplast and they have each been allocated a course and Disc Golf Valley will be attached to the tournament center. We are grateful for this great support.

We are very much looking forward to seeing you and to showing you our courses and the good settings and opportunities in our disc golf Mekka here in Denmark.

Kind regards
Disc golf Vest

A huge gratitude to our main sponsors

Practical information

The Danish Amateur Championship.

This tournament will be used to determinate the best Danish amateurs. This will not impact foreigners... except that you will have the opportunity to clap for and celebrate a Danish champion!

Player packs: Can be picked up at the tournament center in Vorgod-Barde at the following times:

- Thursday 15-17
- Friday 10-11
- Friday 18-19
- Saturday 17-18

Registration: You must register EITHER when you pick up your player pack OR at TD on the course where you will play before your first round. TD will sit ready one hour before the start.

Disc Connection has set up shop in the big tent in The Valley, where you can buy discs, bags and other relevant equipment.

Open at

- Thursday 14-22
- Friday 10-22
- Saturday 12-22

Pre-ordered sandwiches can be picked up at food sales (or TD) on the course where you will be playing.

Lost and found is during the day at the local tournament spot at the course. It is then brought to the tournament center in Vorgod.

Payment in The Valley: We will accept payment via MobilePay/Vipps or cash. It will also be possible to make a payment via PayPal – in this case contact Karsten Iversen.

Contact information

TD Birger Juhl Nielsen (+45 27 399 397)

TD-assistent Karsten Iversen (+45 61 60 46 60)

Valley-chief Ane Marie Rejkjær (+45 36 20 74 49)

Disc Golf VALLEY

The tournament center is The Valley. Here there is both the large tent as a gathering point for many activities, a campsite, driving range and other facilities.

Address: Nørlundvej 2
6920 Videbæk

Camping in The Valley:

On arrival, you must contact the person in charge before pitching the tent or caravan. You will be assigned a place by the staff at the bar in the big tent.

You can check in every day at 15-19 from Tuesday 11th August.

Rules on Camp

Cars are not allowed on the site except upon arrival. They can park in the parking lot on the other side of the road. Motorhomes are allowed on the site, but we encourage you to minimize traffic on the site

Keep the site clean and use the trash cans provided.

“Silent Camp” (“Stille Camp”) must be quiet by 22.30 at latest.

There must be a minimum of 3m between units due to fire safety - this is your responsibility. This may result in tents being moved if the distance requirement is not observed.

There are 40 measures for ordinary plugs on the tent site. This is the maximum for the security groups at the stadium, so help each other get power for phones, power banks etc. It may be a good idea to have an extension cable of 25m with you (note that they must be able to be outside).

Facilities

Toilets and showers take place in the Vorgod-Barde hall, which is close to the campsite.

There are good training opportunities in the area. The driving range is easy to walk to, and a short course “Skolebanen” with 8 holes is right next door - good for fun and practicing the short game.

Option to charge your phone if you don't have electricity at your tent.

The Valley

It is possible to buy soda and beer in the big tent.

The Valley is open:

Tuesday-Thursday 14-22

Friday 16-22

Saturday 12-22

Burgers for Friday night

Homemade burgers for sale for 60 dkr on Friday evening from 17.30-19.00 at The Valley. No pre-ordering – just show up.

Gala dinner Saturday kl 19.00

Grilled beef fillet and chicken breast is served here with side dishes or a vegetarian menu. We have a few places left... so maybe you can make it if you haven't registered yet... contact Birger (+45 27 399 397).

Markedspladsen

There will be a disc golf marketplace in The Valley (aka the big tent in the tournament center in Vorgod) on Saturday, August 16th 16.00-17.30.

Here, individuals can come and sell-trade-buy their old (and newer) discs. This is the chance to make a good purchase of that disc that is just not available anymore. This is the chance to get the 20-50-300 (or however many discs you have lying around at home) to something that you will actually use out on the course.

Private: On the tables in the middle of the tent there will be space for private individuals to bring a single disc or some boxes of discs that they would like to exchange or sell.

Disc Connection will be present in the tent with their large store. They will sell discs during the event, but of course they will also be part of the large marketplace.

Rules for being on the marketplace:

- Treat others with respect and fairness.
- Professional actors may only be present after agreement with the event coordinator.
- No signs may be displayed with disc manufacturers (e.g. DisCraft, MVP, etc.) other than Latitude64, Westside Discs, Dynamic Discs, Discmania, Kastaplast, which are the main sponsors of the event.
- The event coordinator's instructions must be followed.

Other courses in the area.

There are more good courses nearby – find them on Udisc.

Vorgod-Barde

There are two small courses very close to the tournament center.

The Kastaplast course (Skolebanen) is located literally just outside the Valley! This is a course with short and technical holes. It is perfect for a Berg or a glow round!

Please note that hole 1 is not playable due to the big tent, and hole 10 is shortened to a par 3 hole.

The Forest Course (Den nye Vorgod-Barde bane) is longer and more challenging. Note that 4 out of the 10 holes on that course are par 4. This course is more intended as a challenge for experienced players, requiring both length and greater precision.

Kibæk

This course has 14 holes with different challenges. Both tight lines in the forest, the OB area at the stadium and the streams that are twisting through the course. Here you can find many birdie opportunities but be careful because bogeys can quickly become the result.

Hole 1 and hole 9 are closed during Kibæk city festival (14-17th Aug).

Tarm

A small park course with 10 holes that utilizes almost every tree in the park. A short and technical course that provides good practice opportunities for many different shots.
